Judy,  
This year has been  
great. You're so lucky you're  
a senior. I wish you all the  
happiness in the world. You've  
made my first year of high-school  
excellent. The band trips were  
great especially the one to Victoria  
poor Jim. I hope you have a  
great summer. Don't party to  
much (without me)!! Keep in  
touch. If the phone bill gets expensive  
come over. If gas gets too expensive  
come over and ride the horses - Jack  
to you later.

Best Wishes  
Good luck in years  
to come  
Love: Jeremy  
Jaci always.

Dear Judy,  
This year was the  
first year I really got  
to know you - lucky  
for me cause this is your  
last year! We know  
things can only  
get better. Take  
your time and you'll  
find people you can  
believe in.  
Don't be afraid to love or trust  
because only in love  
and trust do we  
find peace and  
happiness.  
(cont. on back)

Judy,  
Well you finally  
made it, you're  
Senior and ready  
to graduate & congratulations  
See you around, hope  
and have a nice summer!

## THE LONG RUN

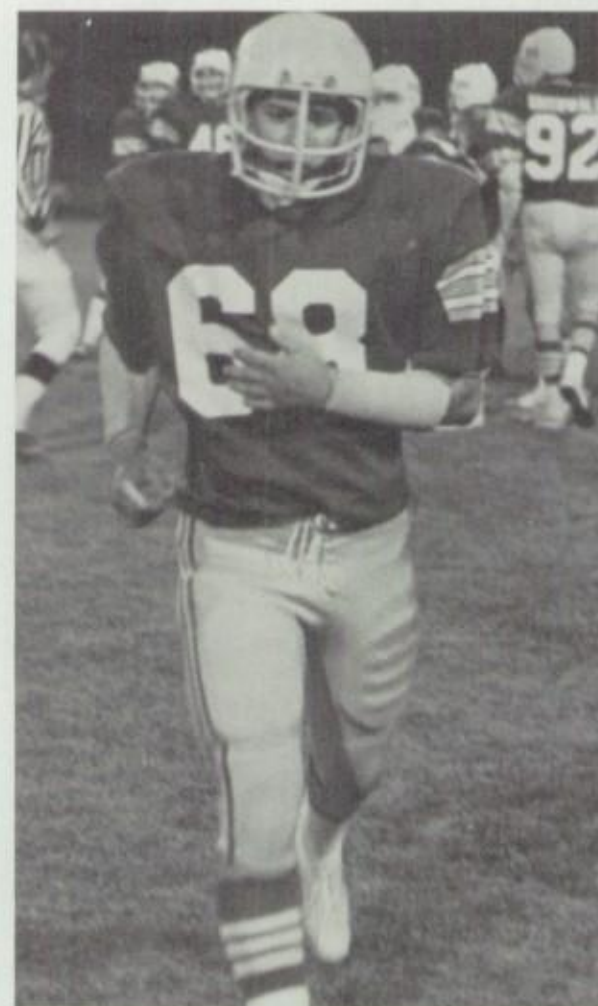

FIRST UNDER THE WIRE

pablo  
cruise

*Part of the Game*

Led by Greg Ballard and Jace Cutler, we experienced new things, one of them being how to learn to take a loss gratefully. We managed to lose 7 out of the 9 games we played but we put everything we had into all of those games. We gave it our best shot. There were lots of practices with exercises (remember IV Perry's and Mule Train?), hard work and long hours. (We'll never forget the time after the P.A. game where Mr. Parrish kept us in the locker room until 2:10 in the morning to talk to us.) As usual, our goal was TO WIN!! Football helps us to mature physically, mentally, and emotionally. We always had the support of the student body and the cheerleaders behind us, which helped to psych us up. The lengthy pep talks from the coaches also made us more ready for the big game again. We wanted to win so bad. The games against Peninsula and Olympic were terrific. We still have it, guys. The Central game was a wet and miserable one. We always managed to make the best of everything, though. We'll miss the senior members, they contributed alot to the team—they showed good character throughout the tough and hard times and played good football. Chris Strickland helped us alot with offense, making the crowd jump to their feet and scream each time he caught one of the long passes. Josh Vandegrift and Trev Sterling were responsible for most of the tackling done and they did a good job, but so did everyone else. Thanks to all the coaches for the time taken to coach us. And to next year's team—good luck!!

#### FRESHMEN FOOTBALL

The goals of our team this year was to learn the basics of football and to have a .500 season. We had a good time playing at all of our games, we didn't make as many dumb mistakes as we expected. We ended up with the feeling that we had accomplished something for all of our hard work. We were led by Don Hilse, Scott Rothe, and Tom Jordak, along with Coaches Steve Tucci and Bill Hobaugh. We'll always remember beating Bainbridge 14-0. We knew a new offense and we executed our plays well. Watch out, cause next year, we're gonna be tough to beat!!!!

# Cross Country Strides through Season

## CROSS COUNTRY

Setting the school record of the lowest amount of points in a meet was our goal and we made it-against Port Angeles. The Boys' Team placed first in the League meet and we missed state by only 8 points. However, our terrific captain, Kirk Adams, did qualify. We will always remember the capturing of that league meet and we are proud to be the last team to watch the Calvo's run for N.K.

The Girls' team was given instruction in running skills and we learned to improve our long distance running & team work. After long hours, sore muscles, hard work and under the expertise of Captain Corrine Calvo, we came out on top, placing first in league, 2nd in district and 6th in state.

Thanks to Bruce Swanson our coach. Without him, we would be nothing.

## JV Volleyball

This was not our best season, but was a season for experience. We had our good times and bad times. Our good times were being together and playing as a team, as we laughed together and yelled together. Our bad times when we lost together and when our bus was vandalized by Sequim. We were led by our captains Lynn Small and Tammy Johnson, as they encouraged us to always try our best. Even though we didn't have a great winning record, we had a great time.

### Varsity Volleyball

Our coach Ms. Banker and captain Debbie Hewitt, along with co-captains Sara Morgan and Teresa White, made us want to fight and play to our best ability. Even though we were 4-11 this season, we had a good time playing and going to other schools. Our goal this season was not to end up on the bottom of the pile and we didn't. We will always remember our trip to Sequim, which was the highlight of the season.

Calie Eliason performs a breathtaking back somersault.

We had a pretty good season, placing 11th out of 17 schools. There were nine meets, with lots of practices lasted in between. The Practices last from 3-4:30 p.m. everyday after school. We had to swim one and ½ miles per day. We did improve ourselves, that was our goal. All coach Marilyn Grinrod asked from us was improvement in our times, and we were consistent in lowering them. We had good swimmers and divers on the team, including Sallie Kaupanger, Terri Gaines, and Becky Parrish. Sallie went on to the state meet to place 21st, Terri Gaines performed exceptionally well after major surgery at midseason, and Becky Parrish put on quite a showing as a first year diver. We'll miss all the hard work and effort the senior team members contributed.

The Swim Team this year was composed of 14 people, including 3 Seniors. Under the coaching of Marilyn Grindrod, the team "pulled through" with a fairly good season. Thanks to the efforts of the seniors, Earl Bowers placed 6th in district, the team will be inspired to continue with great achievements. The team shows some promising talents in the near future to look for.

Calie babysits while watching others perform.

As a gymnast we must learn  
to laugh at fate, to twist and turn,  
to miss a stunt and feel regret  
because of points we didn't get.

To know when you're depressed a bit  
it may be hard but never quit,  
For many a loser turns about  
when she could have won, had she stuck it out.

The pressure's there for all of us  
but we learn to cope without a fuss,  
we learn to take a lot of pains  
from injured knees to ribs and sprains.

But most of all we learn to care  
for a win or loss a team will share  
and if you know you've done you best  
then you-have passed the biggest test.

This season was off with a good start: our two coaches, Teri Waag and Eileen Watland, willing to teach and us girls eager to learn. Practice everyday was not easy, but with support from each other and Pat Benetar, we made it through. Things we will never forget include: little kids running around the gym, "Are you supposed to scream when you vault, Peggy?", "Don't talk, just do it," J.V.'s first meet, "When are we getting our sweats?", and who could forget the M & M sale? A special thanks to our manager, Becky Robinson.

Mary takes a turn.

## Working Hard But Also Having Fun

## Vikings in Action

Dan Eises breaking through

This year's basketball team showed a lot of promise to do well. The team captain was Dan Eisses and the coaches were Jim Harney and Steve Nielsen. The team got off to a bad start but the spark of their fire was there. Their first chance to ignite was during X'Mas vacation at the Olympic tournament, they beat RA Long and went into the finals, but they were defeated by Enumclaw. The second fire was Peninsula. They had beaten the Viks at our home court and it felt good to return the favor. Then North exploded! It was a Tuesday night game against Bainbridge and the game went back and forth in the first half, but at the end of the third quarter North was ahead to stay.

Some of the things the guys will remember are: Greenwalds band-aids, when Tim Heins totaled out the light at C.K. and his birthday card. Mr. Barney gave us a lot of help and encouragement and we're really glad he was our coach.

Layingup for two points.

## Varsity Hopefuls

J.V. boy's basketball is filled with promising players like Tor Allen, Troy Stinson, Steve Espy, Dave Prunty, and Dan McGuire. We have been very competitive against Seamount League competition. In our game against Central Kitsap we led a very good C.K. team at half by 20 pts. As late as the 4th quarter we held them by a 25 pt lead. This win was produced by the team members playing well together. Each day we are working to be better players - the future holds great promise.

## Our Next J.V.

This year's freshman basketball team started off good, but as the season progressed, the other teams got tougher and brought losses to N.K. The most exciting game had to be the one against Squim - home. After three overtimes, an excited crowd witnessed an one - point loss for N.K.

Go for it!

Shoot it, Joe.

## Hard Work And Vigorous Play

The Girls Basketball Squad of this year was an exciting and an explosive one; lead by their senior captains Kim Moore, Debbie Hewitt, Laurie Small, and Kochelle Kingman and by an excellent coaching staff of John Broderson, Betsy Romine, and Penny Aitchison. The Vik's preseason record was 9-1.

Some of the important games were: beating Central by 40 pts. and having their highest scoring game, beating North Mason in a clutch game, and beating Bainbridge by 15 pts. While Debbie was out with a sprained ankle.

Some of the things the girls will never forget are: Josie hurting her foot twice, Kochelle forgetting her shoes and sweats, segregation on the bus (girls in the front, boys in back); singing "Delta Dawn" at the Peninsula game; and finding a MAN in the bathroom at the C.K. game.

Top Row: Mr. Broderson, Debbie Klewitt, Laurie Small, Cyndi Johnson, Pam Clark, Kochell Kingman, Wendi Johnson, Josie Abrahamson, Penny Aitchason

## Tomorrows Varsity

Our coach Betsy Romine was great when we did things wrong, she helped us improve ourselves. We all turned into a better ball club with her guidance. Even though we didn't win as many games as we could we learned from our mistakes and did better the second time. Our captain was Sue Thorne who did an outstanding job this season. You will see some of us on Varsity next year.

## Varsity Wrestling

With Paul Brown and Warren Posten as state contenders, the team has been doing just fine. We started off not so good because we are such a small team, and we did not have enough people to fill in the weight divisions. But we came back to defeat Sequim 65-18 and gave Olympic a run for their money. They are considered one of the beat teams- we almost beat them. We are having a good season-as it progresses we hope to see great things.

"And the state champion is . . .  
Well, believe it or not, we are preparing to be the state champions!! With Mr. Tucci as our coach, we are developing strong muscles and a inner drive to win each match in which we partake. J.V. is hard because we are just always on the bottom of the ladder; and we are just starting out. We are learning the fundamentals of wrestling - not an easy task. But, we will succeed and be the next state champions!!!

# ORGANIZATIONS

7 crazy girls composed this year's Varsity football cheerleading squad which was led by Teresa Morgan. Along with cheering at the games, doing skits, Pep assemblies, laughing all the time, doing the school song, and making up routines were all a part of this fun role in representing the students body's school spirit. We wanted to get your spirit up and to get you involved in the "Viking Football Fever". Thanks to J.P. (Jerry Parrish) for being our terrific advisor.

Pat Albrecht, Kim Mchone, Peggy McEnery, Lyn Watson, Grae Bean, Heidi Morris, Teresa Morgan

JV Cheer is an experience that we will never forget. We learned to stick together and work as a team. Mr. Parrish was always there to help us when we needed him. We'll always remember cheering out in the rain and all the fun times we had, like going to McDonald's. The guys were always nice ever after losing games. We had a lot of cheering because we had such a fun team.

The Varsity Boys' Basketball Cheer Squad advisors were Mr. Harney and their captain Susan Oliver.

The exciting things that happened were: beating Bainbridge, being police escorted from Sequim, taking 2nd place in the Olympic Tournament, WING IT, Cheer Camp, Tiff's wild race against time to get Tim Heins' shirt to him in time for the game, Leann's bathing suit, attempting to do stag jumps, Pom Pom pass off, Tim Heins breaking the light at CK in the final seconds of the game, slaving over a hot stove for the team, singing on the bus, Mike Harney's dive for the ball and running into the Homecoming Royalty at Tyee, Tiff's hot tub, Showdown at North Gulch, Jammin' Black Jack John, are we in Gig Harboryet?, chicken legs, Brrrrrrrr!, giving Tim Heins his B - day card and getting stuck in his driveway.

We give our special thanks to our basketball team and to Coach Harney for standing behind us and always giving us their support. WE LOVE YOU!

Susan Oliver, Leann Barrett, Tiffany Frizzel, Joyce Holstrom, Christy LaGrandeur.

The Varsity Girls' Basketball Cheer advisor was Mr. Broderson.

The things we will always remember are: The eggman, Wing it, Roller skating in the halls, Red-n-Flank, Tiff's hot tub, Jamin' Black Jack, The Marathon games at N.M. Delane's socks being thrown to the G.G., Poster Wars!, Brief Check, Leaving Shelly's coat at Tyee, Mike H. walking into the girls' locker room at Mt. Si., Passing out cookies to the smartaleckey boys, Walking into the C.K. locker room and finding a man in the bathroom.

Some famous quotes are "Go Shelly Go", "John, are we in Gig Harbor yet?", "Doesn't she have blond hair?", and "look, a HORSE!!"

And also we'd like to thank the team, Mr. Broderson, and all the parents who showed up at N.M. when nobody else did.

Wendi Brown, Susie Shutes, Kris Olsen, Charlotte Thomas.

The captain of the Wrestling Cheer Squad was Charlotte Thomas and the coach was Mr. Tucci.

Some of the funny things that happened were: Charlotte forgetting her skirts, bus rides home, getting "excited" before matches, giving kisses - n - pins, mistletoe at P.A., the guys giving corsages at our first match, Richard's chew toy, Wendy's splits, Paul's hands, thumb wrestling, Susie's X-mas presents, Brad's eyes, and GROSS jokes from the guys.

We really started getting bigger crowds this year for home matches. We want to thank you for coming to them.

Debbie Bateman, Delane Hankins, Kay Montgomery, Shelly Nilsen.

## J.V. Cheer

The J.V. cheerleaders for this year were: Kindra (Buckwheat) Cutler, Kris (Spanky) Schneidler, and Tami (Froggy) Phillips. Their coach was Mr. Neilsen and their advisor was Mr. Harney. Some of the fun things that happened this year were: starving at Olympic, some "fairy" on the ferry going to P.A., French Dips every Monday, cold seats in Mr. Ham's room, "There's a game Saturday night?"-We really enjoyed this year; we hope next year is just as much fun!

Kindra Cutler, Kris Schneidler, and Tami Phillips.

We had the honor of getting state farmer degrees, one American farmer degree, and one National proficiency award winner during the last year, and we hope to get more this year.

AFS is the American Field Service. We help students to have a better understanding of the ways and customs of the world, and to bring people a little closer to one another. We sponsor an AFS weekend, where we bring the exchange students from other schools to NK's. This is a fun learning experience for us, the exchange students, and the student body, at NK. This year we are sending students from NK to a school around us for about a week.

Hi, I am Kyoko Igavashi from Tokyo, Japan. These 8 months have passed so fast for me. However, now I can tell you that I have learned something very important in my life by being a student in the USA. And also, this experience has made me grow up; but it has especially helped me to understand about my own country, Japan, and the USA. Anyway, I want to say thank you to all the students, teachers, and people that I have made friends with. Also thank you to the Drill Team and Mrs. Hill.

# North Kitsap Concert Band

We are now a state recognized marching organization led by Stan Kulsa, Darlene Carver and Mr. John Castleman. Our goals are to be a winning marching band, and an outstanding concert band. We are proud that we are able to represent North Kitsap in the many parades, events, and concerts we participate in. Some of the parades and events we participated in are King Bowl (We placed first in our division!), the Apple Blossom Festival, Seafair Torchlight Parade, (again placing first), and Victoria Queen Parade. There are long hours and many hard times with learning the music and routines, but the outcome, the beautiful - "Sound of Music" and the victories are worth it all.

# N.K. Drill Team

Justy - Thank you  
a great year -  
you guys make

Drill Team members perform their championship Kingdome show.

This year's Drill Team Captain was Jody Walker, while Co-Captains were Connie Strand (football season), Tanya Syverson (basketball season), and Francisca Pratt (parade season). Our advisor was Mrs. Hill, who helped organize everything.

Half of Drill Team was new girls, which meant that we had a lot of practice to do (Which we did) everyday during sixth period plus some night practices.

Our very first performance this school year was made in the Seafair Torchlight parade-which we will all remember because somebody almost got left on the Ferry (brushing her teeth!) Another thing we well always remember is Kingdome-another first place which makes three out of four years for first. We all enjoyed the basketball performances and the parades are all fun, although very tiring and hot!

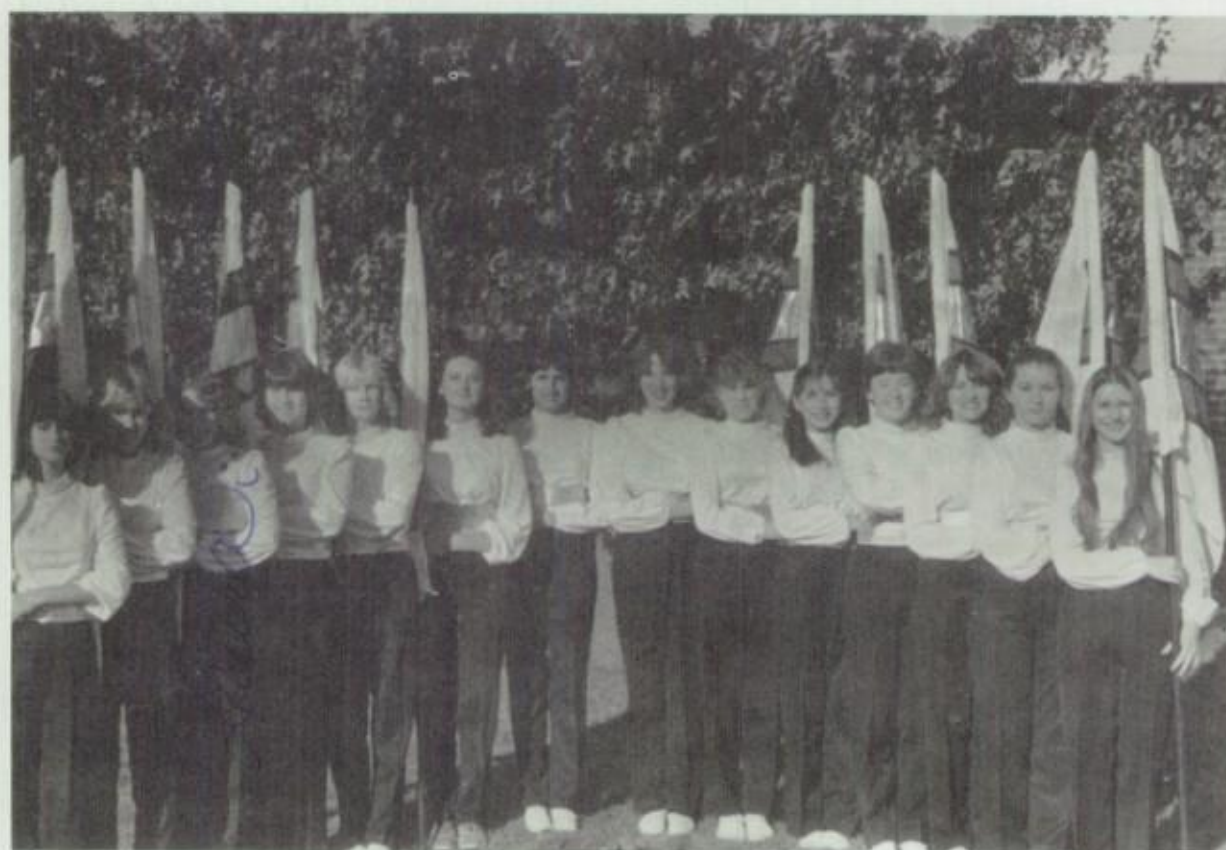

Top Row: Coreen Doran, Vicki Sweeney, Pam Burton, Teri Hagel, Sharyl Bennet, Kim Stephens, Judy Mendenhal, Katie Morgan, LaDawn Vehrs, Donna Walmsley, Connie Strand, Katrina Peterson, Kim Lien, Diane Carson, Angela Kehler, Captain Jody Walker; Bottom Row: Lisa Kleeman, Shannon Bean, Lyoko Igarashi, Patty Kehler, Calie Eliason, Joyce Holmstrom, Julie Englehart, Angela Dideum, Kim Anderson, Eileen Collins, Francesca Pratt, Tanya Syverson, Shelly Hill, Heidi Richards, Cindy Reid.

The tall flags are relatively new addition to our marching unit. With a lot of hard work they are gradually working their way into the public's eye with their performances during football, basketball and parade season. Though they are the smallest group in the marching unit, they are by no means the least seen.

Flag team members marching tall in the Kingdome.

Flag members: Corky Hamilton, Trish Carlson, Laura Oswalt, Dana Johnson, Vicki Sandin, Gina Blair, Cindy Norton, Brenda Frieboes, Kim Birkland, Kristi Borgan, Katie Hill, Kim Mossman, Lenors Wilkins, Barbara Higgins.

Practice, practice, practice. These flag members try out new routines and movements for a show.

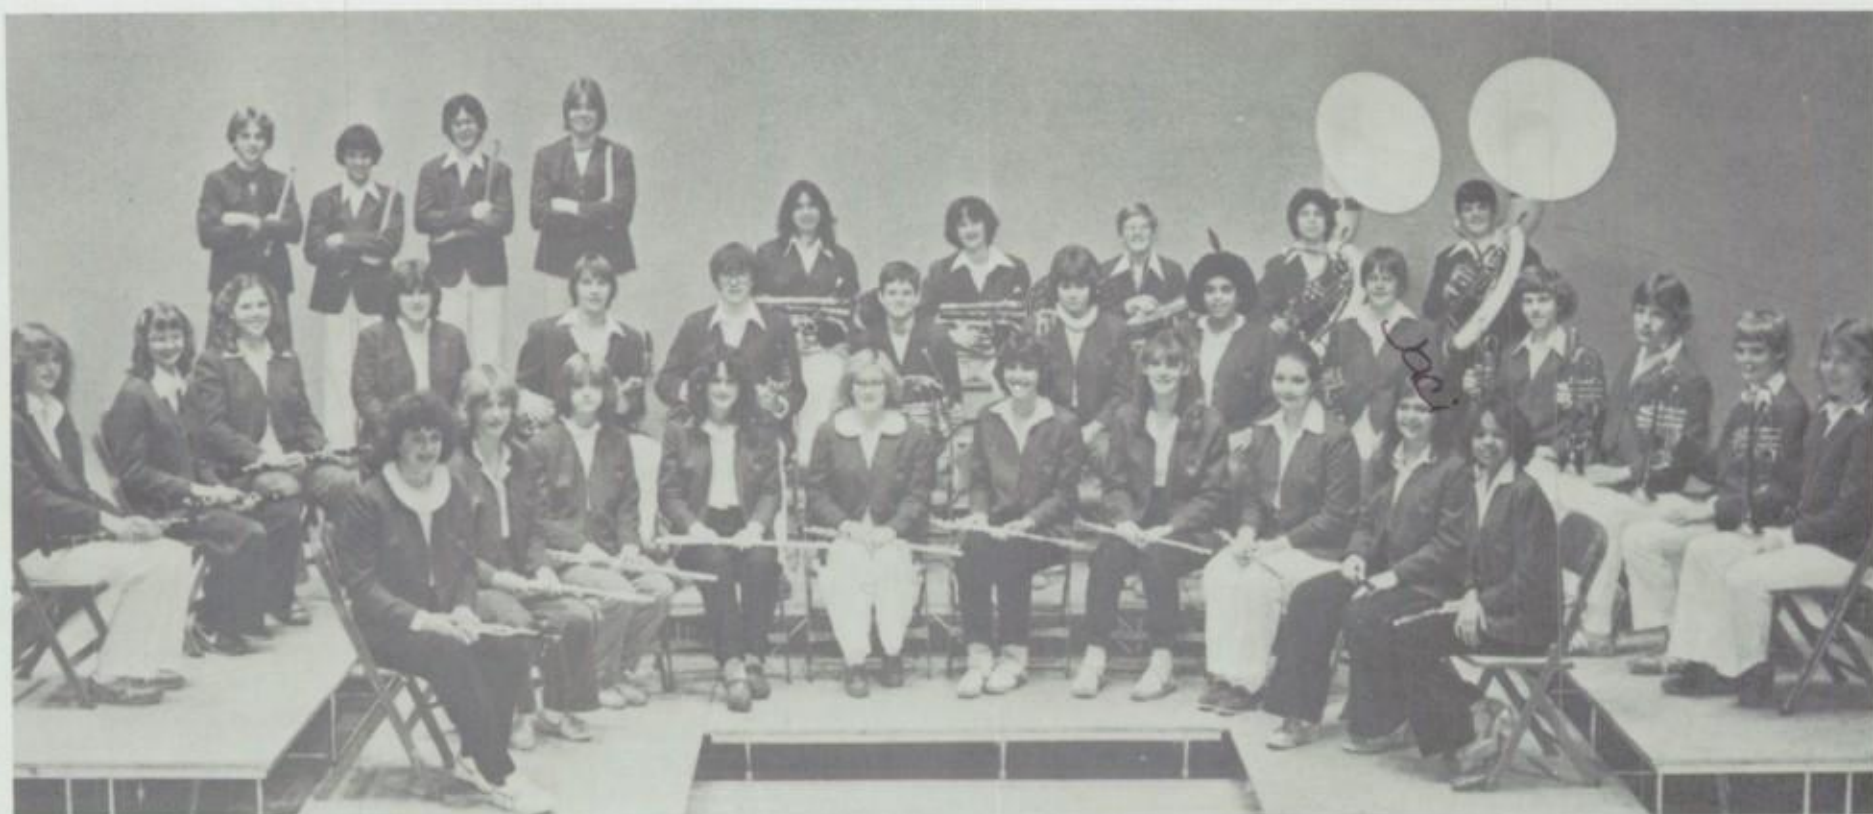

Squaks and Squeeks soon turn into music after hours of practice for our sing musicians.

The Little Drummer Boy- NK Style.

Cadet Band is used to develop a concert band instrumentation and introduce the concepts of marching. Our first notes were sort of weak and sak and sad sounding but we knew that it was only the beginning. Once we got going, we performed at the Fall, Christmas, Pops, and Spring concert. We learned new things and we're ready for Concert Band.

Standing: Richard Keenan, Mike Bandall, Donny Edmundson, Scott Schneider; Last Row: Cindy Roswall, Michelle McClure, David Parker, Greg Coward, John Kleeman; Second Row: Monica Draft, Robin Feenstra, Lynn Small, Kathi Stenbom. # Viking Jazz

The North Kitsap High School Stage Band is truly a remarkable group. As the sponsors of the "Viking Jazz" festival, they have developed it into one of the largest student run contests in Washington. In addition to this; however, they play for a swing dance on Halloween and compete in various other contests. Recognized for their excellent jazz music, we can be proud of our Stage Band as they continue to play "All That Jazz."

In trying new songs, stage band members "give it all they got."

# BAND

This group is made up of aspiring musicians preparing to play in the Viking Jazz Ensemble. Made up of 14 High School and Middle School students, this group "gives it all they got" to play "all that jazz." Talent and skill makes this group a truly unique group.

Back Row: Donny Edmondson, Cindy Rosewall, Gus Pratt, Cheryl Bottom, John Castleman, Becky Ragsdale; Middle Row: Gary Davis, Lenora Decarlo; Front Row: Bonnie Sue Smith, Lisa West, Cathy Martinson, Lucy Decarlo, Cammy McNeese, Kristi Oster.

Back Row: John Boyle, Greg Lyons, Dave Whiteley, Julie Small, Matt Wilkins; 2ND Row: Becky Parrish, Cathy Lee, Carol Smith, Debbie Bateman, Deni McKalsen, Judy Flannagan, Charlotte Thomas, Roger Nelson; Bottom Row: Lynn Daugherty, Lisa Miller, Patty Knack, Lenora DeCarlo, Darla Demaris, Dusty Keyes, Erin DeLay, Melinda Levey.

The Orchestra is perhaps the most varied class in the school. Not only does it combine the heavy brass and flowing woodwinds of the concert band sound with the melodic sound of violins, violas, and cellos; but it also combines the talents of many grades. This ensemble covers every grade from 8TH grade to 12TH grade. Thanks to the efforts of Mr. Castleman, this group has been and hopefully will be able to continue to put out enjoyable, classical music for our school community.

Northern Lights: Talia Watland, Judy Mendenhall, Annie Burger, Merriah Stoddard, Miriem Stigler, Lenora DeCarlo, Lynetta McNurlin, Erin Delay.

These girls will never be afraid to sing out their opinion.

The Nk Choir group is rather small this year but it sure has a lot of fine quality voices in it. Our goal was to sing in all the major concerts. We weren't always quite ready for them- there were always words to memorize, the rhythms in the song, the tune- and there were so many songs to do!! But out in the bright and big spotlight, we did just fine by the good leadership of Mr. Castleman.

The Carpentry class has been in existence for three years now, and it seems to be "building" up a reputation in the area. # AUTOGRAPHS

Dearest Judith:

Well, at the start of the year we were at just about rock bottom, with THE OUTCAST and displeasure with our families and all. Then we managed to bring ourselves up a little bit. We tried. I'm rambling. What I really want to say is this. We've been hard to each other. No-body's fault, just circumstances & fear. I was rather rash (no remark, please - I've condemned myself enough as it is!) in somethings I said in a recent "discussion" that I think we'd both like to forget. I would. (This hurts) You're my best friend and I love you like a sister - a twin, how about? An opposite twin. Us being apart like this - mentally, anyhow, - is really hard. It's like part of me was taken away and it's being dangled over there and I can't reach it. I wish we could patch up what was but isn't although I wish it were still our friendship. I don't like these acquaintance enmities. They're bad for my health. I know ~~it~~ we both have certain qualities the other does not like. These are minor, I think. We can't ignore the past injustices, or cover them up with false cheer, but I think we can at least put them behind us and not bring up old ghosts. I'm talking of course of me - my summer ~~so~~ resolution. We've been friends too long to wreck everything. And ya know, things can only get better.

Patricia is talking about an apartment on

the island... wasn't that the original plan in the first place?!... and it would be nice if the three of us could live together. I was thinking about that apartment near Jonis.

I haven't said anything about graduation yet. I don't think I want to. (I wish I were) It won't be the same next year with you and Jim gone. Slowly, our little group has dwindled because of the June ceremony, and now it'll just be Becky and I. It seems like just yesterday we were marching at Lolo & Bumble, at Anne and John and Kate, and all of our good friends... I feel so alone!! I'm glad I have Lynne. But I'm gonna miss you next year. Can I bear it? Do I have a choice? (No.)

This is so depressing. How about anticipating this summer? Inell time work and 3 musicals. I can enjoy this. But wait till Tom Sawyer & Company when Dennis say, "Judy: lights. Erin: Orchestra pit!!" Nathan: something!!!" LIGHTS! ORCHESTRA PIT! SOMETHING. ala Rocky Horror. Which, as we're all hoped and prayed for, is coming to the Redwood Plaza!

Ok. 2 pages is enough. Maybe. (I could write a book!) (I see you!! I'm on the bus.)

with love & friendships always,

# Homecoming game night

This year's homecoming was indeed a Viking Fantasy. People's dreams came true as King Brent Boon and Queen Grae Bean reigned over the exciting week. The student body participated in many activities including dress up days, coronation, powderpuff football (the class of 81' winning the second year in a row), Homecoming dance, and the Open House. The student chairperson was Susie Shutes, with Ms. Noteboom and Miss Cates as advisors. The student body honored Janice Nelson and Ruth Nohel - this year's retiring faculty members. Friday night brought the big game with Sequim. The game was played well but, N.K. just could not fulfill their fantasy - the dream of victory - as the final score was 7 - 13.

## POWDERPUFF FOOTBALL

what's exciting, challenging, competitive and loads of fun? It's POWDERPUFF FOOTBALL!!! The Juniors versus the Seniors and everyone shows class spirit and class competition. Kathy Miller is this year's chairperson, with Mr. Taylor as her right hand man. Practices are Friday and Saturday- be there or you don't play. The big kickoff time is Wednesday nite at 7:30 p.m. The girls are reminded over and over again, "Remember, no contact at all!!" The teams need cheerleaders- who are they? Well, let's have the guys. For the seniors we need Jerry Taylor, Kurt Waggoner, Dave Littrell, Mark Reid, Garth Gailey, Heinz Lange, and Kevin Parnel. For the juniors, let's have Matt Thomas, Paul Fisher, Jike Tague, Ed Clarke, Bill Anderson, Brian Harkleroad, Pat Morgan, and Eric Anderson.

Junior captains were Jennifer Frazier and Tammy Kelly. Senior captains were Caol Frombach and Russy Armstrong. Even though the juniors lost they put a good fight. In the last quarter Kim Moore scored a touchdown for the seniors. The final score of the game was 6-0.

Truly.

Having you occasionally  
in class was really terr

## Getting Into The Christmas Spirit

Well, Santa Claus did come to town this year. All girls and boys out there were so good this year. Deca helped me out by having candy cane sales and Santa coloring books. The students had their chance to have their picture taken with my helpers (alias Mr. Edgers and Mr. Byers). The Christmas dance was cancelled, due to lack of ticket sales. Carnation sales were held, to let the students and faculty give their special person a carnation. The day school let out (Friday the 19TH) the Christmas spirit was floating all through the school. Until next Christmas, you better not shout, you better not cry, cause I'm coming to town!

Love, Santa

## IMAGE OF TIME

There on the corner, untied shoelace  
 stands a lonely man with a lonely face  
 Worn through shoes, baggy pants  
 empty memories, cheap romance.  
 Crowded bodies along the walk  
 moving their lips, unable to talk  
 there the image of time  
 follow a crack, is there an end?  
 follow a stranger, is he your friend?  
 Cellophane feelings hidden from sight  
 Pin head people drift in the night  
 Paper buildings hide the sky  
 Painted face, painted eye  
 There the image of time  
 A silhouette cast upon a wall  
 Are you saved, does it matter at all?  
 razor blade nightmares, safty pin dreams  
 life can't continue, so it seems  
 Withered figures, tall & bent  
 pure lifesblood already spent  
 What was said and what was meant  
 are your thoughts worth a cent?  
 You're the image of time

## THE CHILD

O Mother, what passes through your mind as  
 you fondle your sleeping child?  
 Tenderly you touch his face, so sweet, so mild,  
 Instinctively hold, so gently rock.  
 Do you think of what he must be taught?  
 How do you tell him what you feel?  
 This is not a dream, but real.  
 How do you teach, when you still need to learn?  
 What is right, what is wrong, how do you  
 discern?  
 Beyond all the hurts, the tears, and the scraped  
 knee, stop and look, until you really see.  
 As you watch him grow, as you watch him  
 climb.  
 Teach as you learn, line upon line.  
 Trust God to show you the way ...  
 Then simply walk, with Him, day by day.  
 Today, reach down, and take your child's hand  
 Someday soon, he'll grow enough to  
 understand.

THINGS SEEM IMPORTANT...

The wind of time at your sleeve  
Where ya goin you can't leave  
Hey John what ya doin'?  
Don't leave us here, sing us a song  
Sing some Rock, make it strong

Will the wind remember your name  
If so, will it sound the same

Will it remember the games you  
guys played?  
The outrageous statements you once  
said

Will someone remember how you moved  
the world?  
With a simple song about a simple girl

Well the world spins on. We've got  
stuff to do  
As you say in your song, "Make way  
for the new."

Later on John have a good one.

## THERE'S SUNSHINE IN A SMILE

Life's a mixture of sunshine  
and rain,  
Laughter and pleasure, teardrops,  
and pain.  
All days can't be bright, but  
it's certainly true.  
There was never a cloud the  
sun didn't shine through.  
So just keep on smiling whatever  
betide you,  
Secure in the knowledge that  
somebody's always beside you,  
And you'll find when you smile,  
your day's brighter.  
And all of your burdens will  
seem much lighter-  
For each time you smile,  
you'll find it's true.  
somebody, somewhere  
will smile back at you!

By Kerri Hescok

"To place in the top four at state is our goal", says coach Stenerson as he highly praises this year's Boys' track team. We're very strong in jumping events-with Brian Hescok and Jamie Zach covering the high jump, and Karl Serwold doing the pole vault. We're also tough in the running events. Running the 400 meter is Tony Johnson, Jace Cutler and Dave Lindquist in sprints, Chris Strickland and Brent Boon the 800, and Craig McKeel, along with Kirk Adams running the 1600 meter. In the field events, John Aitchison (discus) and Walter Prindle (javelin), lead us on to victory as this is the strongest NK has ever been in field events. We expect to do good in the NK Relays and the Seamount Relays. We hope to win the western division and have a 5-0 record. We'll miss this year's seniors, but the rest of us will be back for a better year next year.

## Boys Track

Row 1: Mark Fisher, Karl Serwold, Ted Newton, Troy Stinson, Tony Johnson, Dave Lindquist, Jace Cutler, Ed Clarke, Craig McKeel, Ed Kennedy, Brent Anderson, Paul Brown, Kelly Coady.  
 Row 2: Tom Jordal, Nate Tinker, Doug Burt, Stan Kulsa, Brent Boon, Alan Olson, Todd Dankers, Brian Hescok, Pat Loughnane, Richard Despard, Glen Rotsten.  
 Row 3: Mike Armstrong, Mike Greenwald, Ron Karr, John Murray, Chris Beard, Tom Londerville, Jim Zach, Walter Prindle, Paul Killingsworth, Joe Smith, Derek Stewart.  
 Row 4: Greg Poole, Scott Rothe, Shawn White, Keith Graham, Alec Pugh, John Aitchison, Jeff Driscoll, Bret Hienes, Chris Strickland, Matt Thomas, Bill Anderson.  
 Coach Swanson, Coach Stenerson, Kirk Adams, Ron Eliason, Greg Allen, Pat Frombauch, Wes Jarvis.

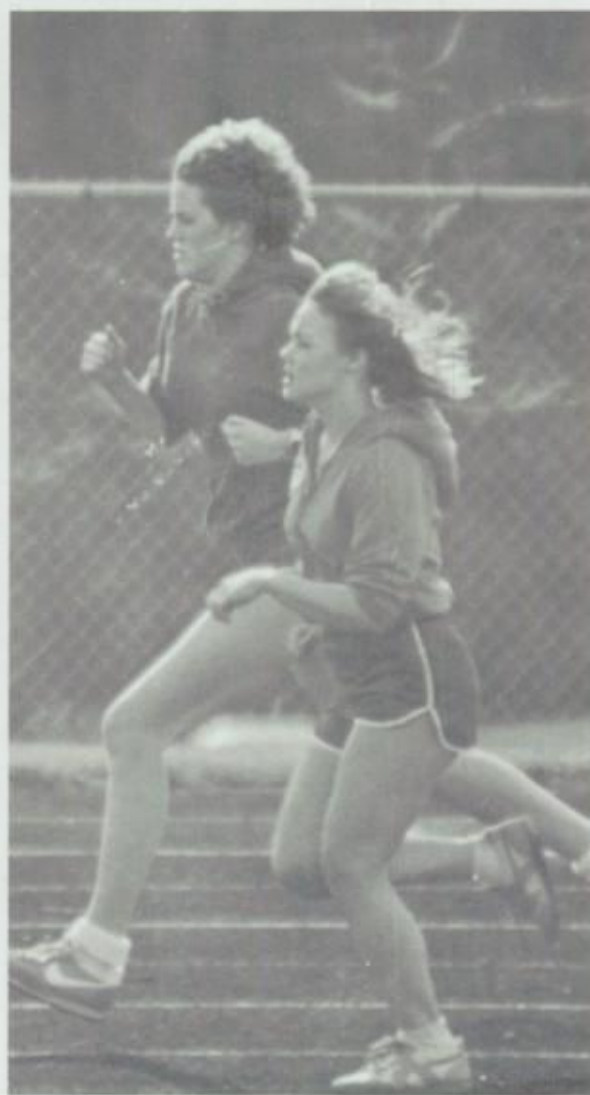

# G I R L S T R A C K

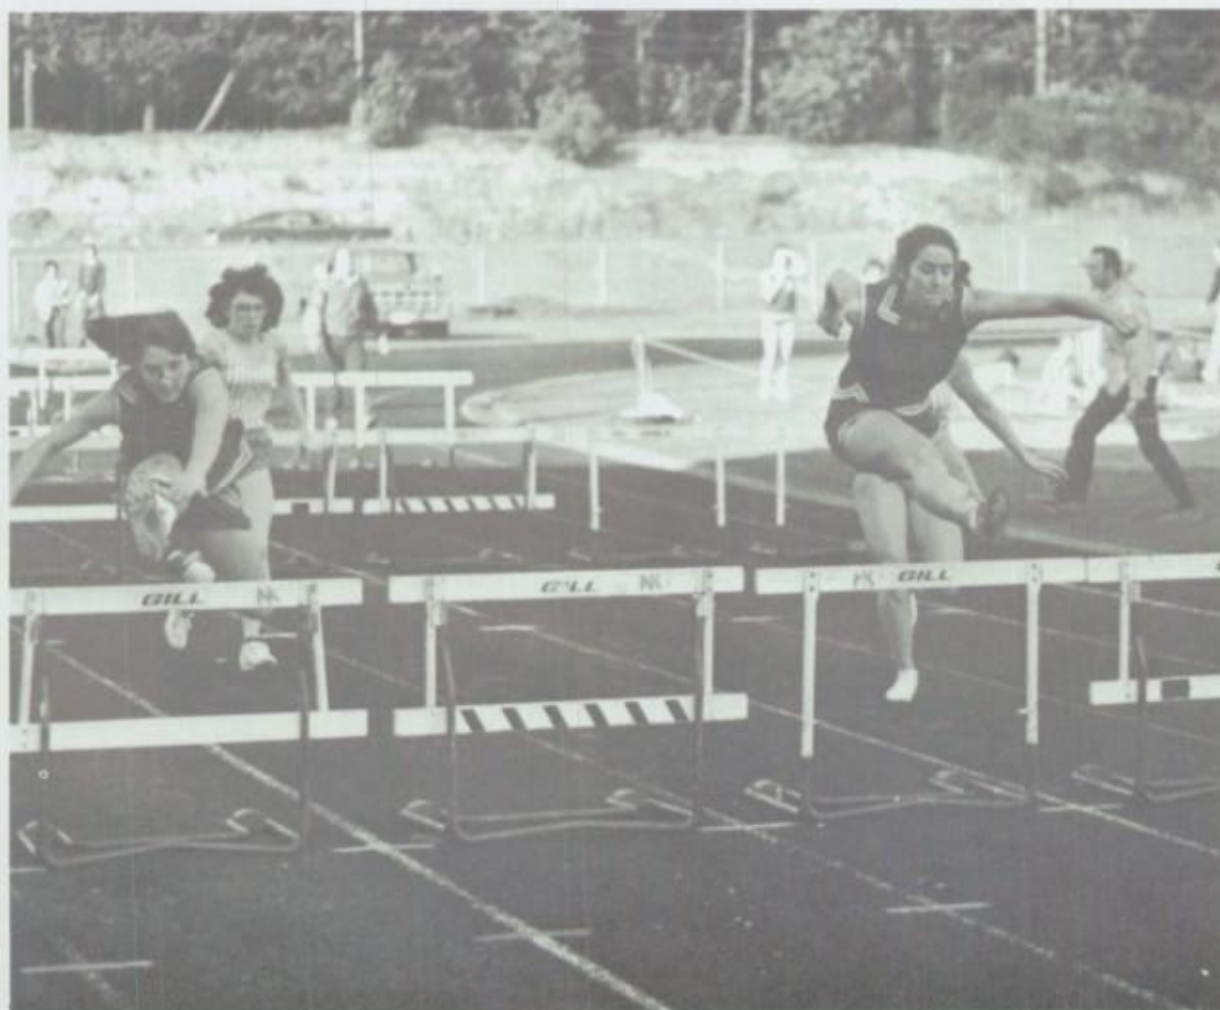

First row- (L to R) Lori Adams, Kindi Cutler, Katie Butler, Evon Eneix, Anne Fischer, Kathi Miller, Kim Johnson, Dana Johnson, Destiny Larson, Hilary Foster  
 Second row- Shelly Hall, Wendi Clark, Sheryl Bottom, Marie Strickland, Jennifer Frazier, Katrina Baldwin, Cheryl Gerard, Becky Robinson, Wendy Wheeler, Janice Watson, Susan Thorne, Diedre Coody, Kathy Sterling, Sabrina Gibford.  
 Top Row- Coach Driscoll, Beth Sherrard, Correen Calvo, Kris Schieldner, Jessica Johnson, Colleen Calvo, Cathy Caley, Linnea Sherrard, Shannon Gruve, Becky Ragsdale, Kochelle Kingman, Laurie Small, Pam Clark, Sallie Kaupanger, Pat Sweeney, and Coach Arntz.

As always, the NK Girls' track team is very tough. We're strong in running events, mainly because we have some terrific girls out there running. Evon Eneix, Pam Clark, Kathy Miller, and Shannon Gruve are showing that they're tough as they run the sprints, and also Diane Fischer, Katie Butler, Kindi Cutler, and Sue Thorne are good sprinters. Kochelle Kingman, Beth Sherrard, Kim Johnson and Jennifer Frazier are going over the hurdles like they're not even there. In the longer runs, Colleen Calvo (who's an outstanding senior and state champion) and Jessica Johnson run the middle distances in excellent form. Upcoming milers and 880 runners are Wendi Clark, Cheryl Gerard, and Linnea Sherrard, who all hold much promise for the future. Corrine Calvo (who's one of the best miler and two-milers in the state), Cathy Caley, Sabrina Gibford, Chris Scheindler, and Sally Kaupanger are covering the longer distances very well. Pat Sweeney is a senior who's a good distance runner also. The Relay teams are nearing the school records and hopefully will be the tops at state. In the field events, we are young and inexperienced but Becky Ragsdale turned out to be a pleasant surprise, working with the shot put, discus, and javelin. She's helped out by Marie Strickland, Deanna Richardson, Wendy Wheeler, and Becky Robinson. In jumping events, Kochelle Kingman and Shannon Gruve control the high jump whereas Jessica and Janice Watson handle the long jump. According to the coaches, Mr. Arntz and Mr. Driscoll say "The quality of the girls is outstanding. They work very hard, and are of excellent character, day in and out." GOOD LUCK, GIRLS!

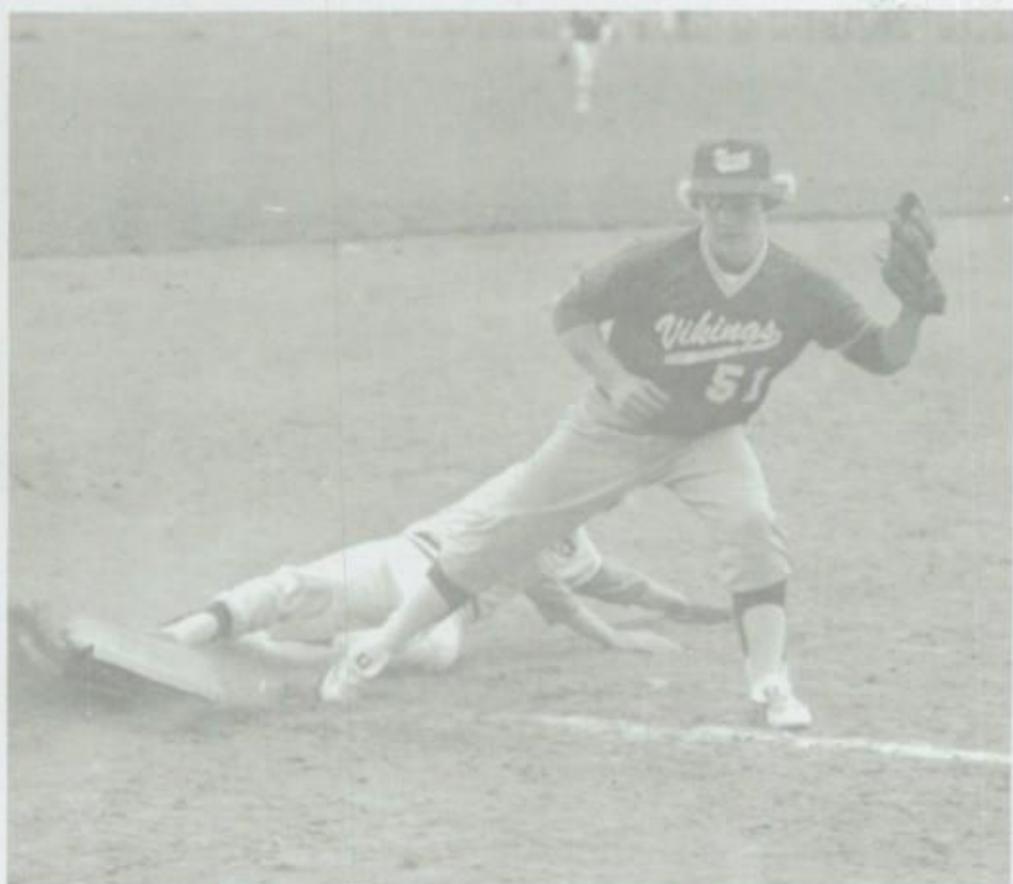

Top Row: Coach Robillard, Steve Hagan, Seth Ewing, Jeff Rietan, Pat Morgan, Kent Nicholson, Steve Sheets, Don Hilse, Brett Carlson, Coach Witt.  
 Bottom Row: Scott McHone, Paul Munson, Keith Blackwood, John Kaster, Bob LaFontaine, Bryan Harkleroad, Joey Fulton, Ken Yates.

## J.V. Baseball

The JV Baseball is coached by Coach Robillard and Coach Witt. We're made up of a lot of outstanding guys. Among them are freshmen Don Hilse, Joey Fulton, Brett Carlson, and Bob LaFontaine, Stadbility is added by Steve Sheets, Pat Morgan, Bryan Harkleroad, Jeff Reitan, and Kent Nicholson. We have a strong defense this year, and we're gaining valuable experience for the future varsity team.

1st Row: Michelle Liden, Lyn Small, Trev Sterling, Kent Pugh, Pat Fuhrer, Frank Morrison, Jim Heggenstaller, Darryl Bengel, Coach Virge Taylor.  
 2nd Row: Jay Fox, Scot Sagaser, Paul Fisher, Bruce Webster, Greg Ballard, Tony Trujillo, Kurt Strickland, Ron Abrahamson.  
 3rd Row: Gayle Anderson

# VARSITY BASEBALL

"Take Me Out To The Ball Game . . . "

The NK Vikings took us to some very exciting games this year. We are a strong ball club and work hard to achieve the very best. All of our games were important and our best competition came from Port Angeles. The Eastmont Tournament was loads of fun as well as a learning experience that will help us in future competition. We learned to concentrate on what we're doing and also that it's easy to lose concentration. Coached by Virg Taylor, we plan to have a fantastic season, take the league title, and then go on to win state.

## TENNIS '81

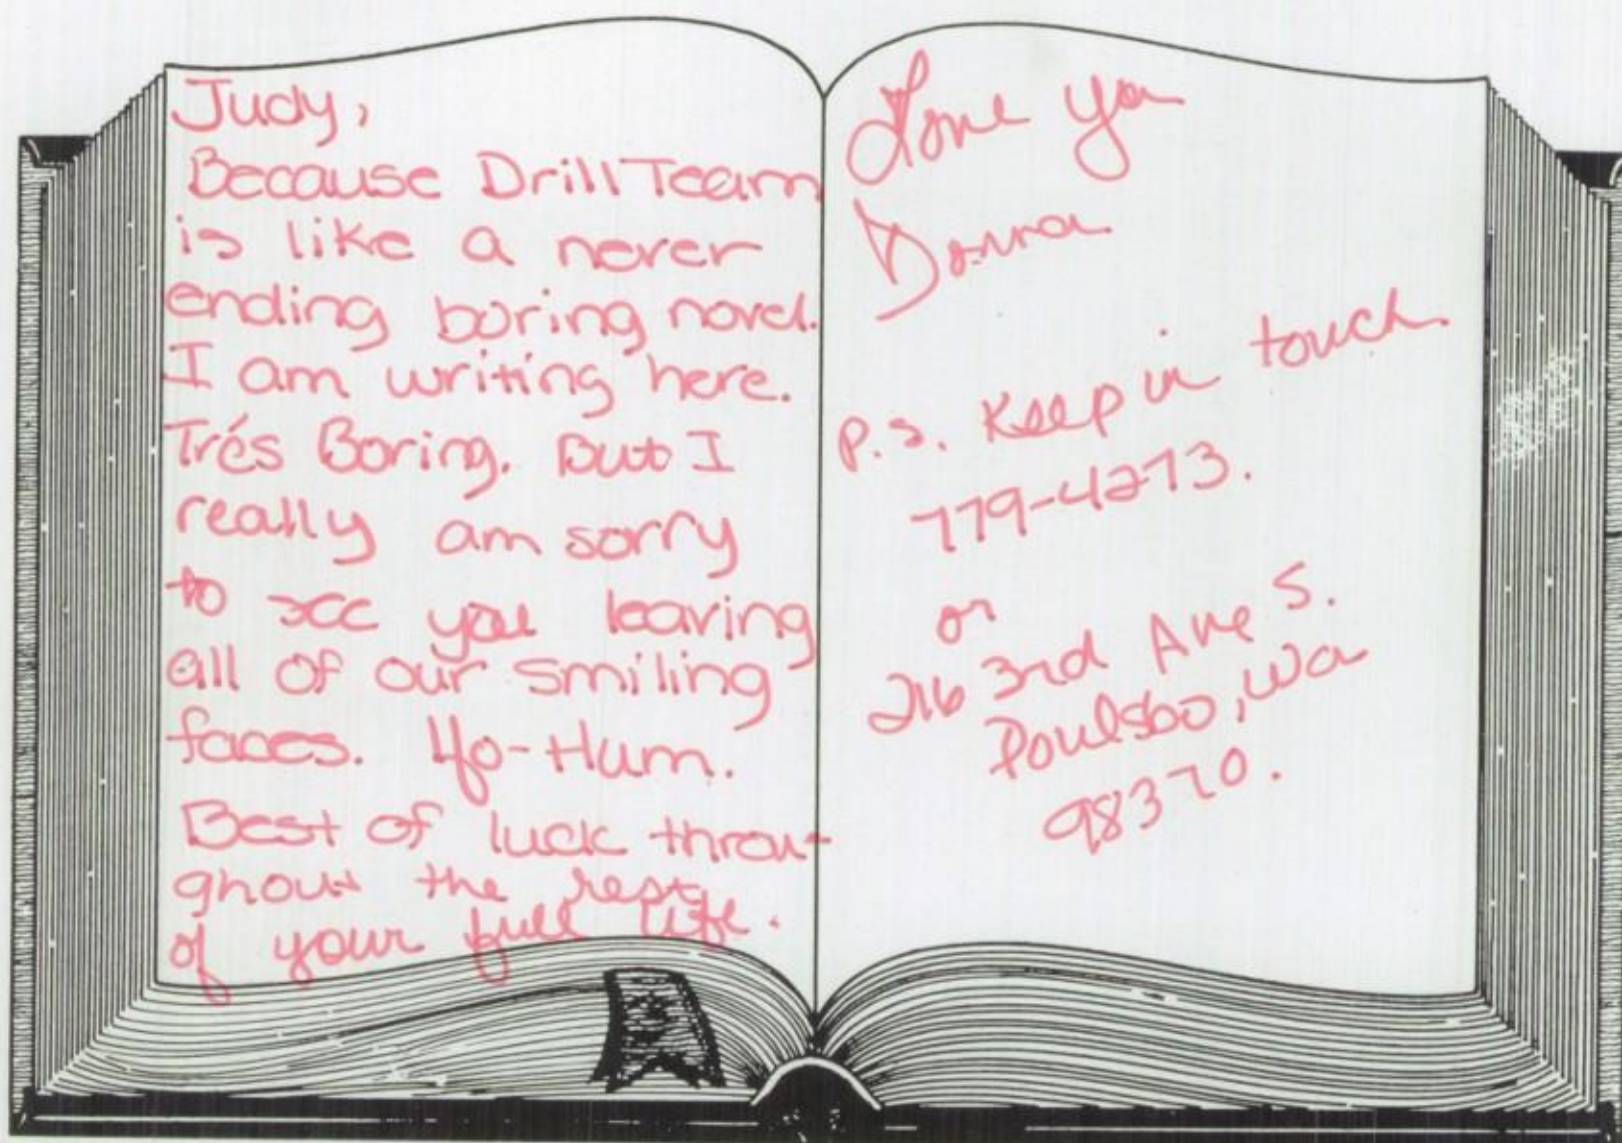

Row 1: Coach Hobough, Alan Clark, Russell Caldwell, Sara Koeiningshof, Dana Cooper, Carol Frombach, Christy Bergman, Karen Reid, Caroline Burrough, Susie Shutes, Kim Contraro.  
Row 2: Brad Oliver, Gary Danielson, Ed Kidd, Ricky Paras, Todd Lemmon, Allen Yeargin, Russ Lyman, David Baker, Jim Aske.

This is a very challenging year for the NK co-ed tennis team. We are led by 4 very strong members, Allen Yeargin, Todd Lemmon, Gail Schultz, and Carol Frombach. The rest of the team is young, but if we play up to the best of our ability, we should be tough. We want to win the league title and the team to beat is PA to achieve this goal. Also, we are getting ready to send certain individuals to state and that's exciting for us.

Anderson Parkway  
Downtown  
Poulsbo

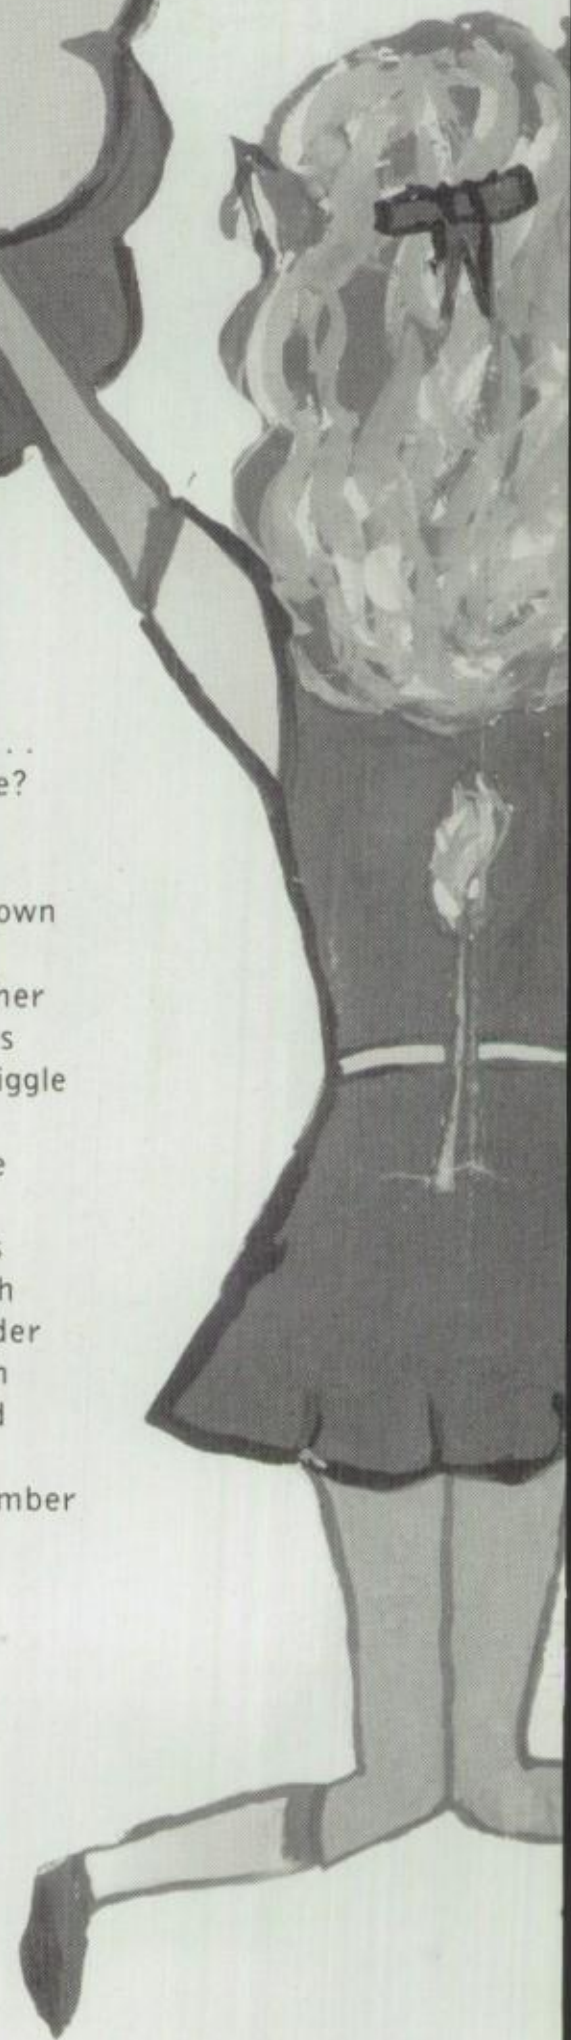

Picture some poodles . . .  
Now what do you see?  
Prissy French dogs  
with a pedigree -  
or a group that looked down  
on their peers  
and were always together  
in the high school years  
They would dance and wiggle  
and act so coy  
Then prance and giggle  
when around a boy  
I won't mention names  
I'll just call them smyth  
and leave you all to wonder  
if the Poodles are a myth  
But if you've never heard  
of the Poddle clan  
Then your'e probably a member  
or a number one fan  
and as for me  
I'd rather be alone  
then prancing around  
like a poodle clone  
Cause going with the crowd  
doesn't make you cool  
It just means  
your'e a puppy  
in obedience school.

Judy,  
 it's hard to believe that we grew  
 up together and it's dumping off  
 my back porch, out of our tree,  
 kindergarten helping each other  
 from being spanked by Mr. Johnson  
 go on forever with Momma  
 stay the happy and good  
 future love always  
 Teresa

Creators's Note: Let it be understood  
 I had no intentions of "Nuking" the  
 "poodles" as individuals. It was all  
 just to poke fun at the phonies that  
 exist in all high school situations.  
 Here is a better slogan in my opin-  
 ion: "I'm not copping out, but I  
 hope I'm not too late to say: Don't  
 Nuke the Poodles, just Nuke Hate!"

Yours truly,  
 Nadine Terry
